

## Conversations on Racism and Intolerance

The [Louisville Bar Association](#) hosted an important conversation on May 25 regarding the continued presence of racism, xenophobia and intolerance in our community. Featuring our own board member, Ozair Shariff, this was a valuable and in-depth discussion held over Facebook Live. Thank you to all involved!

We have provided some short clips of Ozair's answers to questions regarding Muslim Americans for Compassion and prejudice in today's society.

## MAC and DHC Spread the Word to Help Louisville Man Fighting Cancer

Anthony Mathis, a father of four, has worked at Signature Healthcare Summerfield for over 16 years. He is well known and loved by the staff, residents and their families. He's done every non-nursing job in the facility, and he's had a huge impact on the residents.

On March 12, 2021, Anthony received devastating news that he has stage 4 colorectal cancer. His oncologists have decided to treat with aggressive chemotherapy treatments to stop the cancer from spreading further. He has received three rounds of chemotherapy thus far and struggles with pain daily.

Anthony has a long road ahead of him with plans for surgery and chemo/radiation in the coming months. His FMLA will run out soon, and Anthony is not able to work for another several months while receiving treatments. His birthday is June 1st, the big 50. He has so much more to give and so many friends and family that are fighting this fight with him.

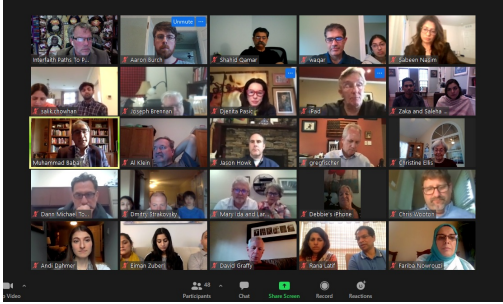

Please help Anthony fight this fight. Donate what you can. We want to keep him mentally strong as he fights this disease. Anthony doesn't realize how many people's lives he has touched over the years. All money raised will be used to help pay medical bills and

expenses. Thank you for anything you can give.

## Did You Read Our Interfaith Iftar Dinner Coverage?

In April, dozens of families and friends gathered to celebrate the 11th Annual Interfaith Iftar Dinner. We celebrated this wonderful (and safe from Covid) gathering with an article published last month. [If you didn't have the chance to read, take a look!](#) Thank you to Interfaith Paths to Peace for a wonderful collaboration as always.
